

Help Out on State Natural Areas

Ridgeway Pine Relict Workday

Join in! Ridgeway is known for its pine relicts that have northern plant species. Help care for this site by removing invasive plants and planting native plants. This month we will be cutting brush and may collect seed. No skills needed you will be trained onsite.

Date: November 10

Time: 9am-noon

Directions: From Ridgeway- travel north on Co H for less than a mile to entrance on left. Park along the road. [Google map.](#)

What to wear: Dress for the weather and wear clothes that are OK to get beat up.

What to bring: Leather gloves, drinking water, loppers, we will have some extra equipment available for volunteers to use.

Contact, RSVP: If you plan to come please contact Mary Kay Baum at marykbaum@gmail.com or (608) 935-5834.

Cutting brush at Ridgeway
